GQP-PLEAT

MERV 13 PLEATED PANEL FILTER

OPTIMIZED FOR LEED COMPLIANCE

THINK SIMPLE. THINK SMART.

THINK QUALITY.

GQP-PLEAT

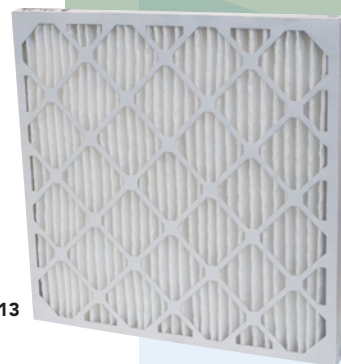

Achieve **MERV 13** rating with our "Green Quality Pleat" (GQP).

Our GQP is a cost effective means of upgrading your air quality, while maintaining low pressure drop and long service life.

ADVANTAGES:

- Meets "LEED" standards for new and existing buildings.
- All the benefits of the pre-filter and final filter in one compact design.
- Simple easy upgrade for existing equipment.
- Cost effective design helps maintain user budgets.
- Available in all 2" and 4" depths – non-standard sizes available.
- High capacity design increases service life – minimizes maintenance and disposal cost
- Synthetic media does not support microbial growth.

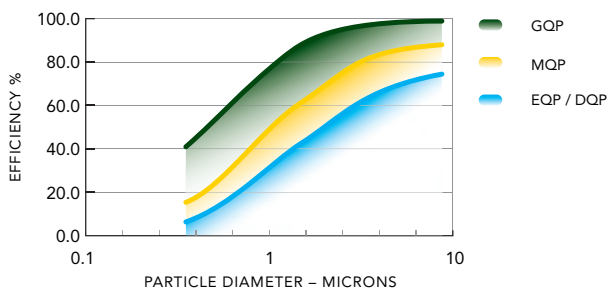

2" MERV 13

GREENQUALITY FEATURES:

- Durable lightweight construction offers easy disposal.
- Minimal impact on energy resulting from low pressure drop.
- Longer service life – reduces waste stream impact.

COMPOSITE MINIMUM EFFICIENCY CURVE

4" MERV 13
